**CUVÉE'S BLEND** : 100% Chardonnay

#### **TASTING RESULT :**

Color : Bright wine with a pale yellow color and golden hints

Nose: This vintage is astonishing: its aroma hangs between buttery and creamy characters and yellow fruit notes. This wine is both ethereal and strong in character and is getting more Kirsch flavors with time.

On the palate: But let's not forget that this vintage holds the particularity of having undergone a malolactic fermentation, which gives a very tonic attack. Vine peach and exotic fruit aromas give a lot of freshness. Then anise gives delicacy to honeyed fruit. Finally the vinosity of this vintage appears with notes of mirabelle plum and crystalized figs.
